

2024-2025 ACTIVITY GUIDE

Short breaks and
activities for children and
young people in Suffolk
with additional needs
and disabilities

www.activities-unlimited.co.uk

info@activities-unlimited.co.uk

Here at Activities Unlimited, we give grants to activity providers around Suffolk each year to support them in providing fun and inclusive short break activities for children and young people with additional needs and disabilities.

More information about each provider can be found on the link for each listing in the guide. There's some information outlining the activities and a guide to the support levels at each, alongside details to enable you to get in touch with providers directly.

We also publish school holiday activity guides - follow us on [Facebook](#) or [X](#) (formerly known as Twitter). You can also view [our What's On page](#) to see what activities are available.

The Holiday Activity Fund (HAF) is a service that provides free access to activities for children and young people who receive free school meals. The HAF is only available with certain providers. Learn more about the HAF on [page 32](#).

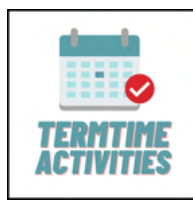

Key to support levels:

Each activity has a number to let you know the level of supervision and support available:

- 1: Activities for your family to enjoy together
- 2: Inclusive mainstream activity - group supervision only
- 3: For children with SEND - supervision provided but no qualified carers on-site
- 4: For children with SEND, qualified carers on-site (additional fees may apply)

Key to icons:

The icons on each listing tell you whether activities take place in term time or during school holidays, whether the activity is aimed at young carers and whether free places are available to families who are eligible for free school meals.

If you're struggling to find a short break suitable for your child or you've got any other queries about short breaks or what's on in your area, [email our Family Advice team](#).

Lastly, we're always on the look out for new providers and activities, so if you know of or if you are an organisation who provides inclusive activities, we'd love to get to know you! Drop us a line at aprovision@suffolk.gov.uk

The Activities Unlimited Team

Abbeycroft Leisure

Abbeycroft Leisure run a variety of different activity groups, including both indoor and outdoor activities focused around fitness, health and wellbeing.

Contact: contactus@acleisure.com

Explore Outdoor

Location: Various

Youth Theatre Squared & Youth Theatre Squared Plus

Location: Lowestoft
Support Level: 1
Age Group: 0–25

Weekly youth theatre sessions that offer a relaxed space for learning disabled and neuro divergent young people to take part in bespoke, creative activities in a safe, inclusive and supported environment. Sessions are engaging and fun, build self-confidence and resilience, develop creative and communication skills, and raise aspirations.

The Zone

Location: Haverhill
Support Level: 1–4
Age Group: 0–25

The Zone in Haverhill is a bi-weekly soft play centre with laser tag and a small sensory room. The families meet at The Zone and the children can have fun at the centre using the different areas available. This allows the parent and carers time to network. They also hold an older age group youth club bi-monthly, to enable the older young people with SEND to use The Zone facilities to keep their friendship groups going.

Suffolk Holiday Activity & Food Programme

Funded by the Department of Education, the Holiday Activity & Food (HAF) Programme enables children and young people who are eligible for free school meals to access fun and enriching activities.

The holiday activities can involve helping young people experience new activities from sports, music, dance, to art, digital creativity, culture, cooking, and gardening. As well as improving socialisation, HAF-funded activity programmes help children and young people have fun with friends during the Easter, Summer, and Christmas holiday periods.

To be eligible for a HAF place, a child must be registered as eligible for benefit-related free school meals.

Eequ is a booking portal that can automatically check a child's eligibility for a HAF activity. Those who don't qualify can still book a paid for place.

Some of our Activities Unlimited providers who serve children with higher levels of need are not hosted on Eequ. Please use the details listed for the providers within this guide to contact them directly.

Also note that not all HAF providers within Suffolk receive funding from Activities Unlimited.

**Visit Eequ to find out about
more HAF activities**
