

*"[...] the environment feels safe and fun, I feel that I can be myself, I have a voice there. Everyone around me is like me, and I feel normal there. The teachers and staff are really nice and they understand me."*

*"Children who could barely read or write prior to joining, are now confident and enjoy their English lessons. The whole child has made progress and they are happy in school."*

*"They are very good with understanding my son's needs. They go the extra mile, and their communication is excellent. They make my son feel included and relaxed so that he may be himself."*

*"[...] Many parents have commented to say how sending their child to the unit has been 'life changing'."*

*"I can't even describe how much progress has been made since going to the hub. They are helping beyond words."*

*"[...] he now loves school again and is happy to go each day."*

*"Children who would not engage with their peers in their previous setting, now have formed relationships and play successfully alongside them"*

*"I am so grateful for everything this unit has done for my son."*

*"Everyone thought I was bad at my old school, and I thought I just had big feelings until I found out I had autism. I now feel like I actually fit in."*
